Summer Camp Itinerary

The premise that sparked the creation of Amped Up is “edutainment” for kids – learning through interactive and fun activities. The central components to this are our game show parodies and group performances. We create and present many versions of these to thousands of students each year and now it’s your child’s turn! Each week we will present various game show titles highlighting content knowledge, general trivia, and activity challenges. Campers will participate in and assist with these performances and will then get an in depth look at the hardware and software used in their creation. All children will receive hands on experience with the following:

- **Sound Equipment:** Amplifiers, Sound Processors, Mixing Boards, Microphones, Musical Instruments
- **Lighting and Effects:** Light Controllers, Par Cans, LED Washes, Moving Head Lights, Laser Lights, Disco Balls, Blacklight Cannons
- **Multimedia:** Electronic Polling Equipment, Competition Buzzer Systems, Presentation Software, Multimedia Projectors

In addition, each camper will get to participate in the activities below within our various areas:

- **Table Games:** Pool, ping-pong, foosball, air hockey, skee ball, pop-a-shot, etc.
- **Musical Instruments:** Drums, guitars, keyboard, microphones...
- **Video Games:** Giant screen Wii & Xbox 360, vintage arcade games, etc.
- **Sports:** Rock climbing, bounce houses, basketball, volleyball, football, soccer...
- **Extras (Cool Stuff):** Slot cars, pachislo, Beam interactive floor game, water slides, and more!

The following are included with your summer camp tuition:

- Camp T-Shirt
- Afternoon Snack
- **Weekly Field Trips** – Fort McHenry, Monster Mini Golf, local parks (Honeygo Run, Gunpowder, Annie’s Playground...), Catoctin Zoo, AMC/Beltway Movies, swimming (Freestate & Kids’ First), The Go-Kart Track, Camden Yards/Ravens Stadium, Pinland Bowling, Skateland, BMI, Fire Museum of MD, Broom’s Bloom/Prigel Creamery & more!
