Program Interaction, Supervision, and Guidelines

- I understand that I am not to leave my child at Amped Up unless a staff member is present to receive and supervise them.
- 2. I understand that my child will not be allowed to leave the program with any unauthorized person. Any person authorized to pick up my child must be listed on the enrollment form or emergency form.
- Should I, or any authorized person, arrive to pick up my child with the appearance of being under the influence of alcohol or drugs, I am aware that Amped Up staff may contact the proper authorities and refuse to release the camper.
- 4. I understand that Amped Up is mandated by Maryland law to report any suspected child abuse or neglect to the appropriate authorities for investigation.
- 5. Participation in the program may be terminated for verbal abuse, physical altercations, or any other behaviors deemed unacceptable.
- 6. Amped Up staff members are not permitted to provide childcare or transportation outside of the program.
- 7. I understand that my child's photograph may be used in promotional materials. Unidentifiable group shots will be used in most circumstances and permission will be sought for individual or discernable photos.
- 8. Outside items (Such as video games, books, etc.) may be brought to camp. While we do provide storage for each camper, Amped Up is not responsible for loss of or damage to these items or other personal belongings.
- 9. All medications (Including topical lotions) must be self administered by each child. Camp staff may supervise, but cannot apply or administer medication. Any medication not picked up by the end of camp will be disposed.
- 10. Children may not attend camp if they are sick, especially with symptoms such as vomiting, diarrhea, fever, rash, or other contagious conditions. Campers should be symptom free for 24-48 hours before returning and may need a doctor's note if diagnosed with any of the above conditions or may be excluded based on Covid-19 restrictions.

Financial Responsibilities & Terms

- 1. A \$40 registration fee and the last week's tuition are due upon enrollment in summer camp.
- 2. Camp tuition is due prior to the beginning of each week. A \$20 fee will apply to all late payments.
- 3. Tuition payments are non-refundable. Exceptions can be made under certain circumstances.
- 4. Full camp tuition is due regardless of scheduled days off, sick days, or other occurrences. You are responsible for payment for all weeks selected on the enrollment form.
- 5. I agree to be included on group email lists that will provide general camp information and marketing materials (Related to Amped Up only).

HEALTH INVENTORY

Information and Instructions for Parents/Guardians

REQUIRED INFORMATION

The following information is required prior to a child attending a Maryland State Department of Education licensed, registered, or approved child care or nursery school:

- A physical examination by a health care provider per COMAR 13A.15.03.04, 13A.16.03.04, 13A.17.03.04, and 13A.18.03.04. A Physical Examination form designated by the Maryland State Department of Education and the Maryland Department of Health shall be used to meet this requirement (See COMAR 13A.15.03.02, 13A.16.03.02, 13A.17.03.02 and 13A.18.03.02).
- Evidence of immunizations. The immunization certification form (MDH 896) or a printed or a computer-generated immunization record form and the required immunizations must be completed before a child may attend. This form can be found at: https://earlychildhood.marylandpublicschools.org/child-care-providers/licensing/licensing-forms
 Select MDH 896.
- Evidence of Blood-Lead Testing for children younger than 6 years old. The blood-lead testing certificate (MDH 4620) or another written document signed by a Health Care Practitioner shall be used to meet this requirement. This form can be found at: https://earlychildhood.marylandpublicschools.org/child-care-providers/licensing/licensing-forms Select MDH 4620.
- Medication Administration Authorization Forms. If the child is receiving any medications or specialized health care services, the parent and health care provider should complete the appropriate Medication Authorization and/or Special Health Care Needs form. These forms can be found at: Select Forms OCC 1216 through OCC 1216D as appropriate. https://earlychildhood.marylandpublicschools.org/child-care-providers/licensing/licensing-forms

EXEMPTIONS

Exemptions from a physical examination, immunizations, and Blood-Lead testing are permitted if the parent has an objection based on their bona fide religious beliefs and practices. The Blood-Lead certificate must be signed by a Health Care Practitioner stating a questionnaire was done.

Children may also be exempted from immunization requirements if a physician, nurse practitioner, or health department official certifies that there is a medical reason for the child not to receive a vaccine.

The health information on this form will be available only to those health and child care providers or child care personnel who have a legitimate care responsibility for the child.

INSTRUCTIONS

Part I of this Physical Examination form must be completed by the child's parent or guardian. Part II must be completed by a physician or nurse practitioner, or a copy of the child's physical examination must be attached to this form.

If the child does not have health care insurance or access to a health care provider, or if the child requires an individualized health care plan, contact the local Health Department. Information on how to contact the local Health Department can be found here: https://health.maryland.gov/Pages/Home.aspx#

The Child Care Scholarship (CCS) Program provides financial assistance with child care costs to eligible working families in Maryland. Information on how to apply for the Child Care Scholarship Program can be found here: https://earlychildhood.marylandpublicschools.org/child-care-providers/child-care-scholarship-program

HOW TO USE THIS FORM

The documented tests should be the blood lead tests at 12 months and 24 months of age. Two test dates and results are required if the first test was done prior to 24 months of age. If the first test is done after 24 months of age, one test date with result is required. The child's primary health care provider may record the test dates and results directly on this form and certify them by signing or stamping the signature section. A school health professional or designee may transcribe onto this form and certify test dates from any other record that has the authentication of a medical provider, health department, or school. All forms are kept on file with the child's school health record.

MDH Form 896 (Formally DHMH 896) Rev. 5/21

How To Use This Form

The medical provider that gave the vaccinations may record the dates (using month/day/year) directly on this form (check marks are not acceptable) and certify them by signing the signature section. Combination vaccines should be listed individually, by each component of the vaccine. A different medical provider, local health department official, school official, or child care provider may transcribe onto this form and certify vaccination dates from any other record which has the authentication of a medical provider, health department, school, or child care service.

Only a medical provider, local health department official, school official, or child care provider may sign 'Record of Immunization' section of this form. This form may not be altered, changed, or modified in any way.

Notes:

- 1. When immunization records have been lost or destroyed, vaccination dates may be reconstructed for all vaccines except **varicella**, **measles**, **mumps**, **or rubella**.
- 2. Reconstructed dates for all vaccines must be reviewed and approved by a medical provider or local health department no later than 20 calendar days following the date the student was temporarily admitted or retained.
- 3. Blood test results are NOT acceptable evidence of immunity against diphtheria, tetanus, or pertussis (DTP/DTaP/Tdap/DT/Td).
- 4. Blood test verification of immunity is acceptable in lieu of polio, measles, mumps, rubella, hepatitis B, or varicella vaccination dates, but **revaccination may be more expedient**.
- 5. History of disease is NOT acceptable in lieu of any of the required immunizations, except varicella.

Immunization Requirements

The following excerpt from the MDH Code of Maryland Regulations (COMAR) 10.06.04.03 applies to schools:

- "A preschool or school principal or other person in charge of a preschool or school, public or private, may not knowingly admit a student to or retain a student in a:
- (1) Preschool program unless the student's parent or guardian has furnished evidence of age appropriate immunity against Haemophilus influenzae, type b, and pneumococcal disease;
- (2) Preschool program or kindergarten through the second grade of school unless the student's parent or guardian has furnished evidence of age-appropriate immunity against pertussis; and
- (3) Preschool program or kindergarten through the 12th grade unless the student's parent or guardian has furnished evidence of age-appropriate immunity against: (a) Tetanus; (b) Diphtheria; (c) Poliomyelitis; (d) Measles (rubeola); (e) Mumps; (f) Rubella; (g) Hepatitis B; (h) Varicella; (i) Meningitis; and (j) Tetanus-diphtheria-acellular pertussis acquired through a Tetanus-diphtheria-acellular pertussis (Tdap) vaccine."

Please refer to the "<u>Minimum Vaccine Requirements for Children Enrolled in Pre-school Programs and in Schools</u>" to determine age-appropriate immunity for preschool through grade 12 enrollees. The minimum vaccine requirements and MDH COMAR 10.06.04.03 are available at <u>www.health.maryland.gov</u>. (Choose Immunization in the A-Z Index)

Age-appropriate immunization requirements for licensed childcare centers and family day care homes are based on the Department of Human Resources COMAR 13A.15.03.02 and COMAR 13A.16.03.04 G & H and the "Age-Appropriate Immunizations Requirements for Children Enrolled in Child Care Programs" guideline chart are available at www.health.maryland.gov.
